TWELFTH YEAR

## MARTIN SENTENCED AND BEGINS TERM IN THE PENITENTIARY

Ogden, April 24.—With David Edwards, the Pinkerton detective he was convicted of having shot as one of his guards, Joseph Henry Martin was taken to the state penitentiary in Salt Lake at 11:45 o'clock yesterday after he had been sentenced to five years imprisonment by Judge J. A. Howell.

Martin stood up in court and received sentence without a sign of distress appearing on his face. He replied in the negative when the judge asked if he had anything to say before sentence was passed.

Judge Howell gave in substance the law which provides for the giving of indeterminate sentences leaving the term to be determined by the board of pardons. But he said he wished to take no chances by having the sentence tested on a technicality, so he said he would sentence the defendant to the maximum sentence for the crime he was convicted of—five years. The statute, he said, provides that no matter what the sentence, the length of that sentence shall rest with the pardon board.

## Transit Company To Erect Station And Car Repairing Shops

### Smithfield Contributes the Ground On Condition That a \$15,000 Building Will Be Erected

Smithfield, April 24.—That Smithfield is to have a \$15,000 repair shop and station was definitely decided on last Wednesday evening when the city council closed a deal with the Logan Rapid Transit company giving the company a strip of ground 100x200 feet just south of Harper Aiken's house. The ground was given them on condition that a building costing around the neighborhood of \$15,000 be built thereon by the said company. The building will consist of a repair

shop and freight and passenger depots, which will give steady employment to eight or ten men throughout the year. The repairing for the entire valley will be done here in this shop. The city council were wise in this move and deserve credit for the same. It has been said that some of our most influential men discourage enterprise and drive it away from our city, so we are glad that such statements are not true about our city council at least.

## Cache Stake Missionary Appointments

The Cache stake high council and home missionaries will visit the various wards of Cache stake Sunday, April 26 as follows:

- Benson—John Quayle, W. M. Everton.
- Greenville—J. E. Carlisle, Marriener Eccles.
- Hyde Park—O. H. Budge, Lorenzo Hanson.
- Logan First—George Z. Lamb, Stephen Hallstone.
- Logan Second—Adolph Baer, John A. Widtsoe.
- Logan Third—J. Z. Stewart, Fred Kleopfer.
- Logan Fourth—H. K. Merrill, Moses Thatcher.
- Logan Fifth—A. E. Anderson, C. N. Jensen.
- Logan Sixth—S. B. Milton, E. J. Norton.
- Logan Seventh—L. S. Cardon, J. E. Hickman.
- Logan Eighth—R. O. Larson, William E. Mitton.
- Providence First—John H. Anderson, William H. Follett.
- Providence Second—Joseph Quinney Jr., William Peterson.
- River Heights—Andreas Peterson, Joseph E. Cowley.

## Mendon Resident Called to Reward

Mendon, April 24.—Joseph Har-

### HOIST THE STARS AND STRIPES

Acting upon the suggestion of a United States Army officer that the Stars and Stripes be unfurled on public buildings, business houses and private residences as a mark of patriotism and support of the President in the present Mexican crisis, Mayor P. A. Thatcher has authorized The Republican to carry the suggestion to the citizens of Logan. Already many have taken the initiative in this matter and Old Glory waves proudly over some of the most prominent business blocks. The idea suggests itself that it would be a nice thing for the people throughout the county to accept this same suggestion and display the flag in front of their premises.

## Jack Majors Is First Of the Student Volunteers

The Utah Agricultural College is the first like institution in the United States to offer the nation volunteers if war is declared against Mexico. On Thursday in the college chapel, an announcement was made by Jack Major of Ogden, that a meeting would be held for the purpose of raising a student company of volunteers. A number of the boys have expressed a desire to enroll in such a company and others will be invited to join them today. The movement to form such a company is led by Mr. Major, Harold Hagan, and Clayton Preston. Mr. Major says that some of these have already applied to the war department for commissions.

In today's meeting all who desire to enter the movement will sign a pledge, putting themselves at the service of the nation if needed. It is expected that a full company of 140 men will be raised and a roster of temporary officers for drilling purposes named. President Widtsoe sanctions the movement.

The national hymns were sung in chapel exercises yesterday and Dr. E. G. Peterson gave a talk on agricultural colleges as trainers of men for national service.

It will be remembered that when war broke out with Spain about 20 students of the Agricultural College volunteered and were sent to the Philippines. Among these were Dr. Robert Stewart, now head of the chemistry department, who received a sergeant's commission and served two years in the island archipelago. Others were J. L. Hines, now in the United States coast artillery; Richard Bush of Ogden, and John Anderson of Rexburg, Idaho.

Professor C. W. Porter will speak to the Parents class of the Fourth ward on the subject: The Influence of Surroundings and the Training of Children, Sunday morning, April 26. A good attendance desired.

## THE WAR NEWS IN BRIEF

### Taken From The Republican Bulletin Report

The Logan Republican has endeavored to keep the public in close touch with all important war news, and how well it has succeeded is evidenced by the large crowds which are constantly assembled in front of the Rex amusement hall on Main street where the morning and afternoon bulletins have been found daily for the past three days. As long as the present interest centers upon the Mexican situation, The Republican will continue to furnish these bulletins.

Yesterday's bulletins:  
New Port, Va.—Former President Taft says it will take \$1,000,000 a day and 400,000 men to bring about peace in Mexico.

New York, April 24.—Lieutenant Colonel Hahn, chief of staff department of the east, sent to all Adjutant generals of every state east of the Mississippi the following message: Where will you mobilize? Report at once.

New York, April 24.—All Mexico will be bottled up. Military forces will march to Mexico City; the army will guard the boarder and the war ships will close all ports.

San Francisco, April 24.—An advertisement appeared in a morning paper for 70 men to make up a company and the men were secured in one hour.

Washington, April 24.—Fighting at Vera Cruz has stopped after a house to house search, disarming all inhabitants. Five more Americans were killed and thirty wounded in yesterday's engagements. Total Americans killed to date, 17; total wounded, 80.

Texas City, Texas, April 24.—Gen-

eral Funston and 3500 men of Fifth brigade embarked at daybreak today at Galveston for Vera Cruz.

Washington, April 24.—Admiral Badger wired last night that had landed battalion from Minnesota, Michigan and South Carolina, making a total force ashore at Vera Cruz of 5400 men.

Tampico—German and British vessels took on board yesterday more than 1200 refugees.

El Paso—General Villa declared that he will not be dragged into war with the United States by anybody. He repudiates Carranza's note to President Wilson and makes statement that he wonders why the United States pays any attention to a drunken old ass like Huerta.

Tokio—One or two irresponsible journals of Japan urged the government to take advantage of the Mexican trouble to press California claims against the United States.

San Francisco—3000 officers and men of the Eighth brigade are hurrying to the boarder under General Preshing.

### GOOD NIGHT, SAID SECRETARY WHEN PRESIDENT GAVE ORDER

Washington, April 22.—The story of how President Wilson ordered the customs house at Vera Cruz to be seized was revealed today.

The President had gone to bed Monday night after having read his message to Congress. The Senate was debating the joint resolution to approve the use of the army and navy and the President had determined to

withhold action until the resolution was passed, although feeling that in an emergency the executive had ample authority to act.

At 4 o'clock Tuesday morning Secretary Bryan received a cablegram from Consul Canada, telling of the approach of a German vessel with a tremendous cargo of ammunition for Huerta. Locomotives and cars were in readiness to rush the arms to Mexico City. Mr. Bryan telephoned Secretary Tumulty, who decided to awaken the President. He telephoned the White House. The servants were timid, but Mr. Tumulty insisted. Finally the President came to the telephone and while Secretary Tumulty was explaining the situation Secretary Daniels called up and was put on the same line. He, too, had a dispatch about the ammunition.

Rear Admiral Fletcher had sent a wireless that 15,000,000 rounds of ammunition and 250 machine guns would be landed from the German vessel by noon that day. The President listened in silence.

What shall we do? asked Secretary Daniels.

Tell Fletcher to seize the customs house, replied the President without hesitation.

Good night, said the secretary. The telephone conference ended and in a few minutes wireless dispatches were on their way to Rear Admiral Fletcher. He received the message at 10 a.m. and an hour later American marines had landed and taken possession of the customs house. The ammunition will go back to its shippers in Germany.

## Who Has the \$250?

Logan Band Will Be Held Together If Funds Can Be Secured To Finance It

Logan was given a musical treat last Wednesday night when the Logan military band gave a concert on the tabernacle square. The band is composed of twenty-three musicians, among whom are found some of the best talent in the state. The band boys are now debating if the band will be held together this season. It is said that if not less than two concerts can be held a week, some of the musicians will seek employment elsewhere. Manager Edwards and Director Joseph A. Smith Jr., are doing everything possible to hold the players together. The thing that is most needed is for someone to contribute about \$250 toward the employment of the band and then there is no doubt but the concerts can be held.

The following are the members who compose the band:

Joseph A. Smith Jr., Guy Alexander, Wesley Smith, Olie Jensen, Oliver Edwards, Ross Carlson, Karl Woods, Storm McDonald, Israel Yeates, Roy Rudolph, Harry Farr, William Larson, Henry Otte, Anthon Smith, Jule Wahlen, James Hanson, G. W. Clark, Leslie Smith, Rega Card Joseph H. England, Jess Smith, Lewis Edwards, Edwin Smith.

Elder Carl Anderson of Clarkston who has just returned from the Swedish mission will speak in the Scandinavian meeting tomorrow morning at 10:30. All invited.

## Notify the President

Students Send Telegram To Nation's Chief Enlisting Their Services As Volunteers

The following telegram was sent to President Wilson yesterday by the students of the U. A. C.:

To His Excellency President Woodrow Wilson, Washington, D. C.: Had a mass meeting today of Utah Agricultural College student body. Ninety-nine men with from one to three years military service including seventeen from graduating class pledged to volunteer if needed. These men wish to be first agricultural college students to give service to nation.

Respectfully signed,  
G. M. HESS,

President of Student Body,  
JACK MAJOR,  
Former Cadet Captain.

## The Latest About War

Mexico City, April 24.—British diplomatic agent ordered to go to Vera Cruz to offer services in arranging peace between United States and Mexico.

Mexico City, April 24.—Huerta has resigned in favor of Portilloon Rojas. Huerta will assume command of the federal army.

San Antonio—Mexican federals reported to have fired town of Nuevo Laredo and are now firing across the river on Laredo, Texas.

Washington—Senate passes the  
(Continued on page eight)

## Preston Booster In Town

Jacob Webber, manager of the Jensen Creamery Company interests at Preston, was in Logan Thursday on account of the illness of his father John Webber of the Fifth ward who is suffering with a severe case of bronchitis. Mr. Webber was much exercised over his father's present condition.

In speaking of Preston and business generally, it was clearly noted that Mr. Webber is a booster for the town which gives him employment. He says there will be ten miles of cement walks laid in Preston this season. Two new store buildings are under way and several fine residences are being built which shows that the town is growing. There are prospects of a new library and gymnasium. The new school building which is to be completed for the opening of school this fall, is one of the finest of its kind in the entire state of Idaho.

The farmers generally are feeling good over the crop prospects, says Mr. Webber.

Funeral services over the remains of the two year old child of Mr. and Mrs. John Green was held in the First ward on Tuesday. A large attendance was present from Richmond and here. Mrs. Green was visiting her parents Mr. and Mrs. Thomas Allison when the child became ill from peritonitis, but soon developed into pneumonia and caused death.
